2020-2021 Course Offerings

Please choose **1 course** from each block in each semester. If you are choosing a distance learning option in one of the blocks, please write in the class you are wanting. Grade 11's, please choose a class for every block (no spares, so you should have 10 courses). Grade 12's, you are allowed spares, try to limit yourself to 2!

Note #1: There are also Apprenticeship & Special Project Credits available. These credits are project based and will be discussed at the parent meeting.

Note #2: There are also courses we offer face-to-face at the school that are available online (these aren't listed). Our rule is if a course is offered at the school, then the student will take it face-to-face (other than the options above). This policy is reviewed on an individual basis.
