In addition to these required supplies, a portion of your Student Fees is used to provide essential classroom materials and support special events throughout the school year. These items are not a replacement for the supplies on the grade-specific list, but rather supplementary resources to ensure all students have what they need to succeed.

These school-provided supplies are available as needed or when specifically requested by your child's teacher. They include:

- Copy paper, lined paper, and graph paper
- Pens and pencils
- Erasers
- Notebooks
- Duo-tangs
- Scissors
- Rulers

Basic classroom hygiene items e.g. tissues, bandages)

- Art supplies
- Special project materials

This system helps ensure that all students have equitable access to learning materials throughout the year.
