# IMPORTANT INFORMATION ABOUT SCHOOL SUPPLIES & STUDENT FEES

Students are required to bring school supplies as listed for the grade in which they are registered.

In addition to these required supplies, a portion of your Student Fees is used to provide essential classroom materials and support special events throughout the school year. These items are not a replacement for the supplies on the gradespecific list, but rather supplementary resources to ensure all students have what they need to succeed.

These school-provided supplies are available as needed or when specifically requested by your child's teacher. They include:

Copy paper, lined paper, and graph paper Pens and pencils Erasers Notebooks Duo-tangs Scissors Rulers Basic classroom hygiene items e.g. tissues, bandages) Art supplies Special project materials

This system helps ensure that all students have equitable access to learning materials throughout the year.
