Christ the Teacher Catholic Schools
Believe... Belong... Become

September 2, 2025

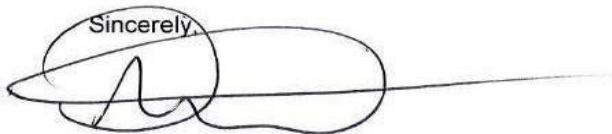

Dear Parents/Guardians:

The safety of our children is of top priority for all of us. We, the Good Spirit School Division (GSSD) and Christ the Teacher Catholic Schools (CTTCS), are involved in intensive safety training with our community partners. Together, we developed a plan for responding to high-risk behaviours. High-risk behaviours include, but are not limited to, possession of weapons, bomb threats and threats to injure oneself or others.

This letter is to inform you that GSSD/CTTCS school systems have a policy that requires principals to initiate a "threat assessment" in all cases of students displaying any type of high-risk behaviour. Should you wish to review the *"Administrative Procedure 165: Safe Schools"* or *"Administrative Procedure 354: Threat Assessment"*, please visit our websites at either www.gssd.ca or www.christtheteacher.ca. The purpose of these assessments is to determine how best to support high-risk students so that their behaviour does not become hurtful or destructive. If your child comes home and tells you that a student has behaved in a threatening way at school, please advise your principal and be assured that your principal will be taking measures to deal with the situation in a positive and proactive manner. If your principal invites you to a meeting to discuss safety concerns about your own child, please be assured that the procedure is being followed and that the primary goal is safety, not punishment.

This letter is intended to serve our community with fair notice that we, as school communities, will not accept "no response" to a serious threat. Our goal is to respond to all threats in a professional manner that provides for a healthy and caring learning environment.

We are pleased to provide, in conjunction with our community partners, a safe environment for all of our students.

Sincerely,

Quintin Robertson
Director of Education

Dear Parent/Guardian:

Our goal each year is to ensure that each student attend school regularly. Regular attendance has a huge impact on a student's academic success starting in kindergarten through high school. Even as children grow older and more independent, families play a key role in ensuring students get to school safely each day and understand why attendance is so important for success in school and in life.

We realize some absences are unavoidable due to health problems or other circumstances. We also know that when students miss too much school— regardless of the reason – it can cause them to fall behind academically. Your child is less likely to succeed if they are chronically absent—which means missing 18 or more days over the course of an entire school year or more than 9 days during a high school semester.

Research shows:

- Children chronically absent in kindergarten and 1st grade are much less likely to read at grade level by the end of 3rd grade. Reading at grade level by the end of grade 3 is a key indicator for high school graduation.
- By 6th grade, chronic absence is a proven early warning sign for students at risk for dropping out of school.
- By 9th grade good attendance can predict graduation rates even better than achievement in 8th grade.

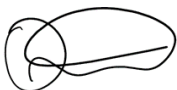

Absences can add up quickly. Did you know that a child is chronically absent if they miss just two days every month?

We don't want your child to fall behind in school and get discouraged. Please ensure that your child attends school every day and arrives on time. Here are a few practical tips to help support regular attendance:

- Ensure your child keeps a regular bedtime and minimize "screen time" on devices before bed.
- Encourage your child to attend school by discussing its importance.
- Do your best to avoid scheduling vacations or doctor's appointments when school is in session.
- Talk to teachers and counselors for advice if your child feels anxious about going to school.
- Develop back-up plans for getting to school if something comes up. Call on a family member, neighbor, or another parent to take your child to school.
- Monitor the hours your child works in their part-time job.

Let us know how we can best support you and your children. We want all GSSD students to be successful in school. If you have any questions or need more information, please contact your child's school or the Good Spirit School Division Central Office.

Sincerely,

Quintin Robertson

Dear Parents and Guardians,

The [Saskatchewan Child Abuse Protocol 2019](#) (the "Protocol") applies to Good Spirit School Division ("GSSD") employees as well as to all Saskatchewan residents, including those residing in First Nations communities.

The purpose of this letter is to make you aware that, if any GSSD employee receives disclosure from a child that indicates the possibility of abuse (see Protocol for definitions), the Protocol must be followed and the GSSD employee will report the disclosure to:

- A child protection worker at the appropriate agency (Ministry of Social Services or First Nation Child and Family Services for families living on reserve); and/or
- The police.

[The Child and Family Services Act](#) and [The Emergency Protection of Victims of Child Sexual Abuse and Exploitation Act](#) require every person who has reasonable grounds to believe that a child may be a victim of abuse and/or in need of protection to make a report.

Please refer to [GSSD Administrative Procedure 330](#) for more information.

Sincerely,

Quintin Robertson

CONSENT FOR STUDENT PARTICIPATION IN SMUDGING AT SCHOOL

Dear Parent(s)/Guardian(s):

Your child may be invited to participate in smudging at school throughout the school year.

As an inclusive and culturally responsive school, we are welcoming all students to learn about First Nation, Metis, and Inuit traditions.

Smudging is an Indigenous tradition that involves the burning of sage/sweet grass. In our school division, sage and/or sweet grass will be used, and participation is always voluntary. Smudging allows people to become mindful and centered, better able to hear, see, think, speak, and act in a good way. It is done in a designated area on school grounds and is approved by the Division's Workplace Health and Safety Officer to ensure that there is proper ventilation. More information about smudging is available by contacting the school.

To participate in smudging, this consent form must be completed and returned to the classroom teacher.
