NEW BUSINESS:

May 28th SCC PARENT WINDUP

This year, SCC has a goal to build up parent / community awareness. It was suggested that we host our May meeting at the baseball diamonds. There was discussion about offering free hamburgers and a drink, having a Fun Fact Flyer to encourage parent participation in SCC and sell Discount Cards. It could also be used to get parent input on next years' school fees as this is the meeting for that decision item and a retirement celebration to those retiring from both Victoria School and KCI.

Years ago, SADD used to have a community slo-pitch game which involved the firefighters, RCMP and emergency ambulance care staff for a community.

| **Motion** moved by Caitlin & seconded by Shaneen:

THAT the SCC approach SADD to see if they are interested in co-hosting a community baseball game that would be used to bring awareness to SCC and SADD activities
